14/04/2020

Dear [name],

First, I’d like to express my heartfelt thanks to you. Your donation in the amount of $105.06 made on 14/04/2020 shows that you understand and value the important work taking place at Huntsman Cancer Institute (HCI). With your support, we are able to do this lifesaving cancer research. We are discovering new ways to diagnose cancer earlier at a more treatable stage. We are able to offer the new hope that new therapies represent to patients when all standard medicines have failed them.

This past year at Huntsman Cancer Institute (HCI) was nothing short of spectacular. We broke ground on a new clinical expansion, the Kathryn F. Kirk Center for Comprehensive Cancer Care and Women’s Cancers. Set to open in the Fall of 2022, this 220,000 sq. ft. expansion will include 48 new inpatient hospital rooms, a floor dedicated to women’s cancers, increased services for blood and marrow transplant patients, and nearly double survivorship and wellness services.

Since the founding of the cancer institute, the pace of work, the rate of building, and the new treatment...
advancements achieved have been breathtaking. Breakthroughs in science this year include a new way to block bone destruction caused by metastatic breast cancer and a new treatment for lung cancer.

We look forward with great optimism to a new decade and continuing our partnership with you. We know that thanks to your donations, new treatments will emerge from our labs and additional lives will be saved. We couldn’t do this without you.

Thank you,

Susan Sheehan
President and COO
